5 As regards (1) the sinking of wells in the bed of the Kothi Kattle tank an estimate for Rs 775 was framed in May 1921, and as it was intended to be done in time for that year's Jatra, the work should have been executed already.

6 Should a report be called for now whether the work has been done or not? Yes

7 As regards 2 — Car of the temple, the Mess Cur has once written that the bigger estimate for Rs 80000 would maybe framed, for this being worshipped will be held in a day or two for orders. Awaited.

N B—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

8 As for No. 3.—Scale of Expenditure in the temple was framed in Oct. 1916 and is now in force. Should a report be now called for as to

Sir,

With reference to your [illegible] under No.656 dated 10th October 1923 asking to be informed if the sinking of the well at Kovilkal Tank at Tirumale referred to in your No.3[illegible] dated 7th March 1923 has been completed, I have the honor to state that the Deputy Commissioner Batticaloa District has submitted with his No.I.C.[illegible] of 17-10 dated 3rd November 1923 a revised estimate for Rs.1160/- for sanction a copy of his letter is enclosed. As information as to the balance at the credit of the institution is not available, the Deputy Commissioner has been requested to furnish the same. The Comptroller has also been requested to intimate the balance. On receipt of this information the revised estimate will be sanctioned.

From the records it is seen that only earthwork of the value of Rs.66-14-7 has been done and the well has gone 6' deep and hard rock has been met with.

I have the honor to be,

Sir,

Your most obedient servant,

Mudal Commissioner.

"I have the honour to state that an estimate for Rs.795/- was sanctioned in Government order No.3841-2/Agri.430-21-6 dated 16th May 1921 for sinking a draw well in the bed of Kothavalasa at Kurupam in the Marudi Taluk when the work was under progress it was found that hard rock had intervened. The contractor also applied for higher rates on the ground that the sanctioned rates were low. An inspection of the well at the time of the jatra also found the soil rocky. A reference was made to the Executive Engineer to revise the estimate if necessary. The revised estimate for Rs.1,430/- sent by him is herewith enclosed for favour of sanction.

The Vernacular correspondence is also forwarded herewith for reference."
